Call for Volunteers

Training Program Commissioner-Elect

The Lifesaving Society Canada is currently seeking a volunteer to assist in leading the Training Program activity centre and projects as per the Lifesaving Society Canada (the 'Society' or 'LSC') strategic plan.

Working with the Training Program Commissioner, the Commissioner-Elect will perform duties as outlined in the Training Program Terms of Reference and Training Program Commissioner Job Description. The successful applicant will fill the role of Training Program Commissioner-Elect for one year, Training Program Commissioner for two years and Past-Commissioner for one year (totalling 4 years).

The Lifesaving Society Canada's Training Program Commission contributes to the mission of the Society by developing or revising training programs and related training materials used to educate Canadians in the prevention of drowning and water-related injury. At this time, the Training Program Commission has three areas of focus to help achieve this mandate:

- Revision of the Swim for Life and Canadian Swim Patrol programs as per the current Revisions Model.
- Launch of the revised Canadian Lifesaving Manual (new Bronze Medal manuals) and development of the revised Alert Manual (new National Lifeguard manuals).
- Ongoing work to include, but not limited to, development of the adapted aquatics and Critical Incident Stress training modules.

Please submit an Expression of Interest to Wendy Schultenkamper, Chief Operations Officer via email at wschultenkamper@lifesaving.ca by **21 February 2025**. Expressions of Interest should include a description of your relevant experience, skills, and education.
